REQUEST FOR RECONSIDERATION OF
PETITION UNDER 37 C.F.R. 1.47(a)

703-308-6916

U.S. Patent and Trademark Office
Office of Petitions
Washington, D.C. 20231

Dear Sir:

The present request for reconsideration is responsive to the decision mailed July 18, 2000 refusing status under 37 CFR 1.47(a). In the decision, the Examiner indicates that the Petition is deficient in that it fails to show that the specification, claims, and drawings were provided to Mr. Weinberg.

The undersigned attorney of record hereby declares that he sent the specification, claims and drawings of the above-referenced application to Mr. Weinberg on multiple occasions prior to the filing of the Petition, and that Mr. Weinberg acknowledged receiving these materials in at least one telephone conversation with the undersigned. The undersigned's failure to provide such information in the Petition was inadvertent, and contrary to the Examiner's assumption is not an indication that Mr. Weinberg was only presented with the Declaration.

Appl. No. : 09/315,795
Filed : May 21, 1999

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful, false statements may jeopardize the validity of the application or any patent issued thereon.

Having corrected the single deficiency raised by the Examiner, the undersigned believes that the Petition now complies fully with 37 C.F.R. 1.47(a) and requests that the Petition be granted. If any issues remain, the Examiner is invited to call the undersigned attorney of record at 949-721-2950.

The Examiner is authorized to charge any fee which may be due to Deposit Account 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
